Library Newsletter

During this short term, the children have still had the opportunity to expand their reading horizons. Children from a variety of different classes have had the opportunity to recommend books to other children in assemblies each Friday. We have had some great suggestions and are looking forward to receiving many more.

During storytelling week, Mr Bowes told the stories of 'The Cat who had a Cough' to Key Stage 1 and 'The Clever Wish' to Key Stage 2, both inspired by Pie Corbett. These are fantastic stories that highlight the importance of working together in a community and caring for others. Verbally retelling stories is an ancient past-time and brings to life and also preserves important messages and imaginative ideas from generation to generation.

The library continues to be open for all children on Mondays, Tuesdays and Thursdays as well as after school on Wednesdays, for children to find, read and change books.

Our **Stay and Read** will continue next term, and once again, it would be lovely if you or a close adult could come and read with your child.

As with last term, children in Year 1 and Year 2 will have Stay and Read sessions organised by their class teachers. If your child is Year 1 or 2 and you would like more information, please speak to your child's class teacher.

Thank you

Yours sincerely
