Application for After School Activities- Spring Term

Dear Parents/Carers,

We are excited to be able to offer a wide range of after school activities for the spring term. These activities offer our children opportunities to develop new skills and enriching experiences.

Please see attached details of our available after school activities from January. If your child would like to apply for one or more of the activities listed, please tick to register your interest and return the slip to your child's class teacher or the school office by **Friday 21st December**.

Where activities are oversubscribed names will be selected at random and children who are unsuccessful will be placed on a waiting list. If there is an outstanding payment from previous activities within the school, your application will not be considered until full payment is received. We have committed to contracts with our external providers and will be purchasing supplies for the activities so no refunds will be given.

If your application is successful we will write to you asking for full payment for the activity by Tuesday 8th January.

If payment is not received on time, the place will be offered to another child on the waiting list.
