Dear Parents/Carers

## Monthly Cooking Sessions - Volunteers Needed

Following on from the successful Black History Month adult and child cooking sessions, and at the request of parents who were unable to attend due to high popularity, I would like to offer further cooking sessions throughout the year.

Every month, parents and children will be invited to cook a dish that represents one of the many wonderful nationalities that we are fortunate enough to have within our school. **If you are interested in leading a cooking session and teaching adults and children how to cook a dish from your country or ethnic background**, please return the slip below stating the dish that you would like to teach others to cook. Please note that we are a nut free school so recipes containing nuts cannot be included.

This is a lovely opportunity for parents to get to know each other, pick up cooking tips and techniques, and share different dishes from different countries. Through cooking together, children get to spend quality time with their adult and begin to learn a lifelong skill.

Once volunteers have been arranged, I will invite adults to sign up to the sessions. Please note, this invitation is for adult volunteers who wish to teach others how to cook a meal or snack from their nationality.

If you would like to be considered, please complete the slip stating the name of the dish you would like to teach (if there is a name), and the ingredients required. Please return the slip below by the 20<sup>th</sup> November 2018.

If you would like more information, please come and speak to me.

I look forward to hearing from you,

Miss Waite

Specialist teacher
