

How Do We Prevent Bullying?

We use assemblies and circle time to reflect on the importance of kindness, friendship, respect and other important school values. We remind children of the types of behaviour that are seen as 'bullying behaviours'.

We provide worry boxes for pupils to put notes in about how they are feeling. These boxes are monitored daily.

We celebrate children who demonstrate positive relationships and show kindness.

We participate in Anti- Bullying weeks and provide an on-going education around bullying throughout the year.

We ensure that all relationships are repaired through restorative justice.

What You Can Do If You Think You Have Seen Bullying

Tell an adult! Don't try to deal with things yourself.

Be a good friend. Play with and comfort the child who you think is being bullied. Encourage others to play with them too!

Quotes from Children from Our School

"Be proud of who you are!"

"Don't be afraid to ask for help. Speak to your teacher or someone you trust!"

"There is never a good reason to hurt somebody else!"

"Having respect for each other is the best way to fight against bullying!"

Please speak to a member of staff if you would like further information.

Anti-Bullying

Horn Park Primary School

Responsibility - Freedom & Tolerance - Respect - Forgiveness - Perseverance - Co-operation - Kindness - Unity - Trust - Resilience - Honesty

What is Bullying?

At Horn Park, we believe that bullying is when you intentionally **hurt** someone several times, over a period of time.

This could be physically hurting someone by, hitting, kicking or pushing them or this could be emotionally hurting someone by calling them names, spreading rumours or consistently ignoring and not allowing someone to play.

When you are being bullied, you might feel scared and anxious.

What Happens When Bullying is Reported?

The report of bullying will be investigated immediately.

Parents will be informed.

The victim will be reassured and made to feel safe again.

The child who has demonstrated bullying behaviour will be spoken to, educated and given a consequence for their behaviour.

In time, the victim of bullying and the child who has shown bullying behaviour, will be brought together to repair the relationship through restorative justice.

What I Can Do if I Think I'm Being Bullied

Tell someone you trust. This could be your parent, teacher, older sibling or friend. You will be listened to!

Sometimes, children say and do things which are mean and unkind. It is really important that we use our words and tell them how it makes us feel. Tell them to 'Stop!' Try not to show that you are upset as some children may want to see you feeling this way.

If you don't show you care, they are likely to get bored of their behaviour. This will also help to build your resilience!

Try to stay around your friends. Bullying is unlikely to happen in crowded places.

Always remember - it is not your fault and you will not get into trouble if you ask for help.
