Executive Head Teacher: Michelle Bernard

Head of School: Zoe Crosland

Deputy Head Teacher Joe Leslie

Dear parents and carers,

We come to the end of the 2020-21 academic year and look back at another extraordinary year, as we continue through these unprecedented times. Although this year has had its disruptions, the resilience and positivity that the children have shown has enabled them to make progress and thrive. The children have taken every moment they can to learn and develop, ensuring that they can continue their learning despite the challenges the pandemic has brought.

At the end of this term, we will be saying goodbye to a few members of staff. In addition to teachers Mr Woods, Mrs Clark and Mrs Osborne (Year 3) who you will know about from the class teacher letter, Miss Hayes, Miss Henry and Miss Bidmead will also leave the team to pursue new and exciting opportunities. We wish them all the very best of luck in their new ventures.

As we move to Step 4 of the Government's roadmap through the pandemic, we are able to review aspects of the risk assessment and take steps to remove some measures in place at school, whilst also ensuring we do everything we can to keep our community safe. We will be changing the pick-up and drop-off times for the school day from the first day back in September.

From **Monday 6th September** children should arrive at school between the time of **8.45-8.55am**. After 8.55am, the children will need to report to school via the office. At the end of the day, Reception, Year 1 and Year 2 will finish at 3.10pm and Years 3-6 will finish at 3.15pm. Pick-up points will be the same as they have been this year.

If your child is in reception, please refer to the information you have been given regarding the times your child will be attending school during the first week of term.

We would like to take this opportunity to thank everyone in our community for the support they have given this year. Although we haven't been able to have our usual community events, it has been truly brilliant the way our community has shown unity and have come together in other ways through challenging times. We hope that through moving to the next step of the roadmap that this is the start of a return to some normality but know there is still a degree of uncertainty that we must live with for now. Whatever the next academic year may bring, we know that as a community, we will continue to thrive and work together to offer the very best opportunities for our children.

We wish you a safe and relaxing summer,

Miss Crosland

Mr Leslie
