New Classes 2020-2021

Dear Parents/ Carers,

As we draw near to the end of what has been the strangest academic year, we would like to take the opportunity to share details of staff changes for the new academic year with you. We are aware that this is somewhat earlier than usual, but under the current circumstances we felt that it was important to share new class information with you earlier rather than later.

At the end of this term, we will be saying goodbye to a few members of staff and welcoming some who are new or returning from maternity leave. Mrs Redman leaves us to go back to work in the early years in a Bexley school. Miss Collier is heading to work in the neighbouring borough of Bromley. Miss Griffiths is moving back to her hometown in Leeds and Mrs Winchester is taking up a post closer to home in Lewisham. Miss Watson is leaving state education to take up a post in a private school. We also say goodbye to Ms Dixon who returned to us for the year to cover maternity leave. We would like to take this opportunity to thank those staff who are moving on to new pastures for the dedication they have shown to the children at Horn Park. We wish them the very best in their new pursuits.

We are lucky as a trust to have been able to have staff from our partner schools join us. We are excited to have Mr Harrison, who has been working with us all year join us full time in year 5, as well as Mrs Clarke who returns from a secondment in Medway to take up a position in year 2. Both have been working within the Compass schools for many years and we are very excited to have them join us at Horn Park. Mrs Chueng and Miss Hughes who have been training with us all year will also be joining us as fully qualified teachers. We also welcome Miss Lazell who joins us from Deansfield. We welcome back both Mrs Robinson and Mrs Wood who both return from maternity leave. Miss Crosland will continue her post of Head of School, sharing the role with Mrs Robinson who will be working part time.

Please find below the details of classes for the new academic year 2020-2021. Usually, we would be planning to enable classes to spend time with their new teacher over the coming weeks, but under the current circumstances this will not be possible. To compensate, each teacher has created a video to say hello to the children in their new class. Children will watch this during their allotted week in school or can view it on Google classroom.

Over the coming weeks, teachers will be completing comprehensive handover meetings as we have always done. We also wanted to provide you with the opportunity to have a chat with your child's new class teacher. Details of dates and times when you can reach them by phone will be shared with you shortly.

At this stage, we await government guidance to know what September will bring, but truly hope that we will be able to start the new academic year with all our children in school. We will ensure we update you as and when any information becomes available.

Best Wishes
