## Confirmed cases of Covid-19 at Horn Park Primary School

14.10.2020

Dear Parents and Carers,

As you are aware we have had to close both year 4 and our specialist provision bubbles as a result of being informed of positive cases of COVID-19 (Corona Virus). We have since had another confirmed case within one of the bubbles. We have been in communication with the Department for Education and the Health Protection Agency in accordance with government guidance. They have advised which children and staff members need to stay at home to self-isolate for 14 days. We have contacted the families of those children who are affected by this.

We have ensured continual separation of the year group bubbles and this has allowed all children from the year groups not affected to come into school as usual, unless they are living within a household with a confirmed case. In this case the whole household has needed to self-isolate for 14 days.

We continue to ensure our risk assessments are regularly reviewed and as part of this we have taken the decision to close the whole school to enable an additional deep clean to take place. This is an additional precautionary measure whilst we wait for further public health guidance.

As a result of this temporary closure we will move Thursday's learning online via Google Classroom. Learning will be available from 9am and teachers will be online to offer direct feedback throughout the afternoon. If you do not have access to your Goggle Classroom login, please email the school contact address [hpcontact@hornpark.compassps.uk](mailto:hpcontact@hornpark.compassps.uk) with a contact number, and someone will be in touch. No one will be available to answer any calls in school on Thursday so if you need to make urgent contact with the school please do so via the same email address.

We apologise for any inconvenience this may cause you and thank you for your support. We will look forward to seeing the children back in school on Friday 16<sup>th</sup> October. Please do not hesitate to contact me should you have any questions.

Kind regards,

Michelle Bernard  
Executive Headteacher
